To our Customers:

In compliance with Sales and Use Tax Laws, it is necessary that we have from all our customers a signed re-sale certificate, with their State Sales Tax Permit Number, to show that the merchandise has been purchased for re-sale.

The good faith of the seller will be questioned if he has knowledge of facts which give rise to a reasonable inference that the purchaser does not intend to resell the property as, for example, knowledge that a purchaser of particular merchandise is not engaged in the business of selling that kind of merchandise.

Under "Description of property to be purchased" there may appear:

- (1) Either an itemized list of the particular property to be purchased for resale, or
- (2) A general description of the kind of property to be purchased for resale. Such certificate is good until revoked in writing.

Please provide your new sales tax permit number, with your signature and address on the following resale certificate.
